Rank - Guidance for feedback: *Please give your opinion as stated below for all the items given here under*

	Curriculum	Rank
1	Rate the syllabus of the programme with regard to proper distribution of the subjects in the areas of basic sciences including mathematics, humanities and management courses, interdisciplinary courses, departmental core courses, electives and projects	5
2	Rate your opinion on % of credits given in your curriculum for Basic Sciences including Mathematics - Presently about 15%. If you think this proportion is OK pl. Rank as 5 or else [4/3/2/1]	4
3	Rate your opinion on % of credits given in your curriculum for Humanities and Management courses - Presently about 10%. If you think this proportion is OK pl. Rank as 5 or else [4/3/2/1]	5
4	Rate your opinion on % of credits given in your curriculum for Professional Core - Presently about 50%. If you think this proportion is OK pl. Rank as 5 or else [4/3/2/1].	5
5	Rate your opinion on % of credits given in your curriculum for Electives - Presently about 15%. If you think this proportion is OK pl. Rank as 5 or else [4/3/2/1]	5

6	Rate your opinion on % of credits given in your curriculum for Other inter disciplinary Courses - Presently about 10%. If you think this proportion is OK pl. Rank as 5 or else [4/3/2/1]	5
7	Rate the extent of usefulness with regard to Basic Sciences including Mathematics .	4
8	Rate the extent of usefulness with regard to Humanities and Management courses.	5
9	Rate the extent of usefulness with regard to Professional Core .	5
10	Rate the extent of usefulness with regard to Electives.	5
11	Rate the extent of usefulness with regard to inter disciplinary Courses .	4
12	Rate the syllabus content of Basic Sciences including Mathematics was easy or difficult.	5
13	Rate the syllabus content of Humanities and Management courses was easy or difficult.	5
14	Rate the syllabus content of Professional Core was easy or difficult.	4
15	Rate the syllabus content of Electives was easy or difficult.	5
16	Rate the syllabus content of inter disciplinary Courses was easy or difficult.	5
17	Rate the overall programme .	5
18	Rate the extent of Opportunities given to you to perform as team member / team leader.[group, mini , major project, co-curricular and extra-curricular activities such as ADASTRA, SREEVISION, ARTS CLUB, ROBOVEDA, SPARDHA etc..	5
19	Rate the extent of conduct of Seminars, workshops and student development programmes has enabled you to improve oral, written communication and technical skills.	5
20	Rate the extent of attainment of technical abilities through group, mini and main projects to face the challenges of taking up new projects in your professional career .	5

	Overall impression	Rank
1	Pl. rate the facilities provided in the class rooms [LCDs' , OHPs' , Lighting etc..]	5
2	Rate the functioning of the Laboratory equipment [Facility for conduct of experiment]	4
3	Rate the services provided by the library[book bank schemes etc]	5
4	Rate the computing services at SNIST ?[Software facilities, Internet , WiFi , Xerox facility , Printing facility]	5
5	Pl. rate the encouragement given by the Executive Director / Principal and others in the Co-Curricular activities under the banner of IEEE, ISTE, IETE etc.	3
6	Pl. rate the extent of facilities provided to you for sports and games at SNIST ?	4
7	Rate the encouragement given for Extra-Curricular activities for personality development activities under ARTS CLUB, SPARDA etc.	5
8	Rate encouragement given engaging in service given to society . [Bachpan Bachao, Street Cause, NSS etc.]	3
9	Rate the quality of Hostel facilities available ?[pl. answer if you are using this]	4

10	Rate the Canteen facilities available at SNIST. [pl. answer if you are using this]	3
	Rate the administration services provided by the college. [Physical Education , Transport , Accounts etc.]	5
Suggestions and assessment for Improvement with respect to Employability, Department and Curriculum		Rank 5
1	Pl. rate provision of employability enhancement activity through curriculum itself [LR, QA, Soft skills]	5
2	Rate provision of employability enhancement activity and career guidance through external experts [CRT etc.]	4
3	Rate the study/practice material given to you for employability enhancement	4
4	Rate the Placement services	4
<i>Suggestions and Feedback</i>		
1	a. What are the 2 major strengths of your department?	
	i.	Good faculty (qualified, experience faculty)
	ii.	Good Interaction with faculty.
	b. What are the 2 major weaknesses of your department?	
	i.	Need few more Training Programmes
	ii.	
2	Please offer your opinion on Skills in Demand and suggest change in curriculum based on industry requirements new courses to be offered / existing ones to be dropped? [please specify] Industrial oriented subjects, 3D, CAD/CAM, AI,	
3	Your opinion on lab projects, group projects, industry oriented mini projects and main project during the entire semester in IV year. EPICS oriented Projects	
4	Your willingness to conduct training to the students to reduce the gap between the industry and academia [this would strengthen the students understanding with regard to required skills] [please specify] Yes.	
5	Any suggestion to students on skills improvement. [please specify] Effective involvement Summer Internship, down	
6	What are your suggestions for further improvement/revision in the quality of your programme? Had more Hackar Programs, Industrial visits
