REPORT OF THE INDUSTRIAL VISIT

Name of the Company: Rotomaker India Private Limited

Address: Plot no.A9, Survey No:610/2 & 612, Industrial Area, Moula-Ali, Hyderabad, Telangana 500040

Date and Time of Visit: 27-01-2023, 12'0 cock to 4:15 pm

Details of the Visit:

The class of CSE- Cyber Security went to visit the workplace of Rotomaker India Private Limited on 27th Jan 2023. A total of 67 students took part in the visit to this company of movie VFX graphics located at Moulali. We were first located to a industrial tour but we are surprised to find just a bunch of dark rooms with systems. When enquired about it, We were infomed, that the darkness helps the employees focus efficiently on their work and to get the ratios and shadows in the pictures accurately. They also occasionally play music to avoid getting any distracted by any noise.

Rotomaker India Pvt Ltd has been established for one purpose i.e. VFX outsourcing. Using a backend of talented artists and leading technologies paired with superb management, Rotomaker's clients enjoy unprecedented savings on their VFX outsourcing needs. Rotomaker plays a major role in achieving high quality feature films, commercials, conversions and full-fledged rotoscoping production. The professionals are highly trained to cope with multiple production paradigms, to yield the perfection on the materials that you viewer for. Rotomaker, is basically popular for VFX outsourcing.

After the company visit, we were all assembled in a conference hall of building of one of Rotomakers sisters company, Global VFX. The General Manager Mr. Surya of the company addressed the students and told a few words about himself and the company. He motivated the students by explaining the ground reality, real world competition and industrial necessities to survive in the world of business.

He was also so kind as to offer spending his time to train students for their professional start of career, breaking down the importance of networking, communication skills and practical technical knowledge.

He wrapped up the session leaving a lot of think for the students.
