Help for women just a call away, Education minister Mrs. Sabitha Indra Reddy launches helpline against fraud.

The class of CSE- Cyber Security attends the Awareness programme held at Saroornagar Indoor Stadium, L.B.Nagar conducted by Rachakonda Commionsionarate on 13-06-2023, Education minister Sabitha Indra Reddy interacts with DGP Anjani Kumar and Rachakonda police commissioner D.S.Chauhan at Women Safety and Cybercrime Awareness programme at Saroornagar Indoor Stadium L.B.Nagar on 13/06/2023 from 10:00 AM to 01:00 PM.

Education minister P. Sabitha Indra Reddy launched helpline numbers for protection of women against cybercrime during women protect and cybercrime awareness programme here in Saroornagar Stadium on Tuesday i.e., 13/06/2023. Sabitha, who participated as the chief guest, said that decennial celebrations of telangana state formation day were celebrated on large scale under the leadership of Chief Minister K. Chandrashekar Rao and called upon everyone to participate and make it a grand success.

D. Sudheer Reddy, MLA, L.B.Nagar also participated in the programme and said this views among the women safety and crime awareness. During his speech, DGP Anjani Kumar said that Rachakonda was competing equality with Hyderabad and Cyberabad police commissionerates in terms of crime control. He said awareness programmes and short films were being made on cyber stalking to prevent public or online eve teasing/harassment with the introduction of She Team audio-video vehicles in creating awareness about women's safety and online harassment.

DGP appreciated that the Rachakonda commissionerate was working hard to ensure the safety of girls and woman. He said that a command control centre has been setup to expedite crime investigation through which all the CCTV cameras in the state would be linked. He also said that the fear of criminals has increased due to the installations of CCTV across the state and the crime rate has also decreased.

Rachakonda police commissioner D.S. Chauhan said the percentage of cyber crimes had increased due to new technology. “It is to be mentioned that technology devices should be used according to different types of needs, but at the same time people should be aware about cybercrimes,” he said.

“They can call 8712662662 to get immediate help,” Chauhan confirmed.

Also cine actors Priyadarshi and Faria Abdullah graced the event as special guest and gave input about the women safety and cybercrimes under the guidance of commissioner.

Sabitha launches helpline against fraud

SYED OMAR FAROOQ | DC HYDERABAD, JUNE 13

Education minister P. Sabitha Indra Reddy launched helpline numbers for protection of women against cybercrime during women protection and cybercrime awareness programme here in Saroornagar on Tuesday. Sabitha, who participated as the chief guest, said that decennial celebrations of the Telangana state formation day were celebrated on a large scale under the leadership of Chief Minister K. Chandrashekar Rao and called upon everyone to participate and make it a grand success.

During his speech, DGP Anjani Kumar said that Rachakonda was competing equally with Hyderabad and Cyberabad police commissionerates in terms of crime control. He said awareness programmes and short films were being made on cyber stalking to prevent public or online eve-teasing/harassment with the introduction of She Team audio-video vehicles in creating awareness about women's safety and online harassment. DGP appreciated that the Rachakonda commissionerate was working hard to ensure the safety of girls and women. He said that a command control centre has been set up to expe-

dite crime investigation through which all the CCTV cameras in the state would be linked. He also said that the fear of criminals has increased due to the installation of CCTV cameras across the state and the crime rate has also decreased. Rachakonda police commissioner D. S. Chauhan said the percentage of cyber crimes had increased due to new technology. "It is to be mentioned that technology devices should be used according to different types of needs, but at the same time people should be aware about cyber-crimes," he said. "They can call 8712662662 to get immediate help," Chauhan confirmed.
