

SREENIDHI
EDUCATIONAL GROUP

SREENIDHI
INSTITUTE OF
SCIENCE AND
TECHNOLOGY

Department of CSE-Internet of Things

Faculty Attended FDP Inside College

S.No.	Faculty Name	Activity	Projected Outcome	Present Status /Readiness Level
01.	Dr.T.Venkat Narayana Rao	One Week Faculty Development Programme on “Innovative Teaching-Learning Methodologies”, conducted by the Department of Computer Science and Engineering, Sreenidhi Institute of Science & Technology(Autonomous), Ghatkesar, Hyderabad from 25-09-2023 to 30-09-2023	Learning outcomes are statements of the knowledge, skills and abilities individual students should possess and can demonstrate upon completion of a learning experience or sequence of learning experiences.	Participated
02.	Mr.K.Siva Kumar Gowda	One Week Faculty Development Programme on “Innovative Teaching-Learning Methodologies”, conducted by the Department of Computer Science and Engineering, Sreenidhi Institute of Science & Technology(Autonomous), Ghatkesar, Hyderabad from 25-09-2023 to 30-09-2023	Learning outcomes are statements of the knowledge, skills and abilities individual students should possess and can demonstrate upon completion of a learning experience or sequence of learning experiences.	Participated

03.	Mr.T.Thukaram Goud	One Week Faculty Development Programme on “Innovative Teaching-Learning Methodologies”, conducted by the Department of Computer Science and Engineering, Sreenidhi Institute of Science & Technology(Autonomous), Ghatkesar, Hyderabad from 25-09-2023 to 30-09-2023	Learning outcomes are statements of the knowledge, skills and abilities individual students should possess and can demonstrate upon completion of a learning experience or sequence of learning experiences.	Participated
04.	Mr.M.Raghavendra Rao	One Week Faculty Development Programme on “Innovative Teaching-Learning Methodologies”, conducted by the Department of Computer Science and Engineering, Sreenidhi Institute of Science & Technology(Autonomous), Ghatkesar, Hyderabad from 25-09-2023 to 30-09-2023	Learning outcomes are statements of the knowledge, skills and abilities individual students should possess and can demonstrate upon completion of a learning experience or sequence of learning experiences.	Participated
05.	Mrs.R.Prashanthi	One Week Faculty Development Programme on “Innovative Teaching-Learning Methodologies”, conducted by the Department of Computer Science and Engineering, Sreenidhi Institute of Science & Technology(Autonomous), Ghatkesar, Hyderabad from 25-09-2023 to 30-09-2023	Learning outcomes are statements of the knowledge, skills and abilities individual students should possess and can demonstrate upon completion of a learning experience or sequence of learning experiences.	Participated
06.	Mrs.S.Bhavana	One Week Faculty Development Programme on “Innovative Teaching-Learning Methodologies”, conducted by the Department of Computer Science and Engineering, Sreenidhi Institute of Science & Technology(Autonomous), Ghatkesar, Hyderabad from 25-09-2023 to 30-09-2023	Learning outcomes are statements of the knowledge, skills and abilities individual students should possess and can demonstrate upon completion of a learning experience or sequence of learning experiences.	Participated

07.	Ms.T.Sravani	One Week Faculty Development Programme on “Innovative Teaching-Learning Methodologies”, conducted by the Department of Computer Science and Engineering, Sreenidhi Institute of Science & Technology(Autonomous), Ghatkesar, Hyderabad from 25-09-2023 to 30-09-2023	Learning outcomes are statements of the knowledge, skills and abilities individual students should possess and can demonstrate upon completion of a learning experience or sequence of learning experiences.	Participated
08.	Dr.T.Venkat Narayana Rao	Participated in the AICTE Recognized Faculty Development Programme(NITTTR) on” IoT and its Applications” Conducted by Electronics and Communication Engineering Department from 06/11/2023 to 10/11/2023 (One Week) at Sreenidhi Institute of Science and Technology, Yamnampet, Hyderabad	Collect and analyze telemetry from connected sensors, devices, and equipment for real-time tracking, monitoring, management, and remote control.	Participated
09.	Mr.K.Siva Kumar Gowda	Participated in the AICTE Recognized Faculty Development Programme(NITTTR) on” IoT and its Applications” Conducted by Electronics and Communication Engineering Department from 06/11/2023 to 10/11/2023 (One Week) at Sreenidhi Institute of Science and Technology, Yamnampet, Hyderabad	Collect and analyze telemetry from connected sensors, devices, and equipment for real-time tracking, monitoring, management, and remote control.	Participated
10.	Mr.M.Raghavendra Rao	Participated in the AICTE Recognized Faculty Development Programme(NITTTR) on” IoT and its Applications” Conducted by Electronics and Communication Engineering Department from 06/11/2023 to 10/11/2023 (One Week) at Sreenidhi Institute of Science and Technology, Yamnampet, Hyderabad	Collect and analyze telemetry from connected sensors, devices, and equipment for real-time tracking, monitoring, management, and remote control.	Participated

11.	Mr.T.Thukaram Goud	Participated in the AICTE Recognized Faculty Development Programme(NITTTR) on” IoT and its Applications” Conducted by Electronics and Communication Engineering Department from 06/11/2023 to 10/11/2023 (One Week) at Sreenidhi Institute of Science and Technology, Yamnampet, Hyderabad	Collect and analyze telemetry from connected sensors, devices, and equipment for real-time tracking, monitoring, management, and remote control.	Participated
12.	Mr.B.Sujth Kumar	Participated in the AICTE Recognized Faculty Development Programme(NITTTR) on” IoT and its Applications” Conducted by Electronics and Communication Engineering Department from 06/11/2023 to 10/11/2023 (One Week) at Sreenidhi Institute of Science and Technology, Yamnampet, Hyderabad	Collect and analyze telemetry from connected sensors, devices, and equipment for real-time tracking, monitoring, management, and remote control.	Participated
13.	Mrs.Bhavana	Participated in the AICTE Recognized Faculty Development Programme(NITTTR) on” IoT and its Applications” Conducted by Electronics and Communication Engineering Department from 06/11/2023 to 10/11/2023 (One Week) at Sreenidhi Institute of Science and Technology, Yamnampet, Hyderabad	Collect and analyze telemetry from connected sensors, devices, and equipment for real-time tracking, monitoring, management, and remote control.	Participated
14	Mrs.R.Prashanthi	Participated in the AICTE Recognized Faculty Development Programme(NITTTR) on” IoT and its Applications” Conducted by Electronics and Communication Engineering Department from 06/11/2023 to 10/11/2023 (One Week) at Sreenidhi Institute of Science and Technology, Yamnampet, Hyderabad	Collect and analyze telemetry from connected sensors, devices, and equipment for real-time tracking, monitoring, management, and remote control.	Participated

15.	Ms.T.Sravani	Participated in the AICTE Recognized Faculty Development Programme(NITTTR) on” IoT and its Applications” Conducted by Electronics and Communication Engineering Department from 06/11/2023 to 10/11/2023 (One Week) at Sreenidhi Institute of Science and Technology, Yamnampet, Hyderabad	Collect and analyze telemetry from connected sensors, devices, and equipment for real-time tracking, monitoring, management, and remote control.	Participated
16.	Mrs.M. Pravalika	Participated in the AICTE Recognized Faculty Development Programme(NITTTR) on” IoT and its Applications” Conducted by Electronics and Communication Engineering Department from 06/11/2023 to 10/11/2023 (One Week) at Sreenidhi Institute of Science and Technology, Yamnampet, Hyderabad	Collect and analyze telemetry from connected sensors, devices, and equipment for real-time tracking, monitoring, management, and remote control.	Participated
17.	Dr.T.Venkat Narayana Rao	Department of CSE-IOT in association with NITTTR Chandigarh FDP organizes on “Cloud Computing: A Hands-on approach with AWS Cloud “ organized by Sreenidhi Institute of Science and Technology remote centre (An Autonomous Institution)(Approved by AICTE,Permanently Affiliated to JNTUH,UGC-Recognized Accredited by NAAC)Hyderabad,Telangana .	AWS has more services, and more features within those services, than any other cloud provider, including compute, storage, databases, networking, data lakes and analytics, machine learning and artificial intelligence, IoT, security, and much more.	Participated
18.	Mr.M.Raghavendra Rao	Department of CSE-IOT in association with NITTTR Chandigarh FDP organizes on “Cloud Computing: A Hands-on approach with AWS Cloud “ organized by Sreenidhi Institute of Science and Technology remote centre (An Autonomous Institution)(Approved by AICTE,Permanently	AWS has more services, and more features within those services, than any other cloud provider, including compute, storage, databases, networking, data lakes and analytics, machine learning and artificial intelligence, IoT,	Participated

		Affiliated to JNTUH,UGC-Recognized Accredited by NAAC)Hyderabad,Telangana	security, and much more.	
19.	Mr.T.Thukaram Goud	Department of CSE-IOT in association with NITTTR Chandigarh FDP organizes on “Cloud Computing: A Hands-on approach with AWS Cloud “ organized by Sreenidhi Institute of Science and Technology remote centre (An Autonomous Institution)(Approved by AICTE,Permanently Affiliated to JNTUH,UGC-Recognized Accredited by NAAC)Hyderabad,Telangana	AWS has more services, and more features within those services, than any other cloud provider, including compute, storage, databases, networking, data lakes and analytics, machine learning and artificial intelligence, IoT, security, and much more.	Participated
20.	Mr.K.Siva Kumar Gowda	Department of CSE-IOT in association with NITTTR Chandigarh FDP organizes on “Cloud Computing: A Hands-on approach with AWS Cloud “ organized by Sreenidhi Institute of Science and Technology remote Participated centre (An Autonomous Participated Institution)(Approved by Participated AICTE,Permanently Affiliated to JNTUH,UGC-Recognized Accredited by NAAC)Hyderabad,Telangana	AWS has more services, and more features within those services, than any other cloud provider, including compute, storage, databases, networking, data lakes and analytics, machine learning and artificial intelligence, IoT, security, and much more.	Participated
21.	Mr.B.Sujth Kumar	Department of CSE-IOT in association with NITTTR Chandigarh FDP organizes on “Cloud Computing: A Hands-on approach with AWS Cloud “ organized by Sreenidhi Institute of Science and Technology remote centre (An Autonomous Institution)(Approved by	AWS has more services, and more features within those services, than any other cloud provider, including compute, storage, databases, networking, data lakes and analytics, machine learning and artificial	Participated

		AICTE, Permanently Affiliated to JNTUH, UGC-Recognized Accredited by NAAC) Hyderabad, Telangana	intelligence, IoT, security, and much more.	
22.	Mrs. Bhavana	Department of CSE-IOT in association with NITTTR Chandigarh FDP organizes on “Cloud Computing: A Hands-on approach with AWS Cloud “ organized by Sreenidhi Institute of Science and Technology remote centre (An Autonomous Institution) (Approved by AICTE, Permanently Affiliated to JNTUH, UGC-Recognized Accredited by NAAC) Hyderabad, Telangana	AWS has more services, and more features within those services, than any other cloud provider, including compute, storage, databases, networking, data lakes and analytics, machine learning and artificial intelligence, IoT, security, and much more.	Participated
23.	Mrs. R. Prashanthi	Department of CSE-IOT in association with NITTTR Chandigarh FDP organizes on “Cloud Computing: A Hands-on approach with AWS Cloud “ organized by Sreenidhi Institute of Science and Technology remote centre (An Autonomous Institution) (Approved by AICTE, Permanently Affiliated to JNTUH, UGC-Recognized Accredited by NAAC) Hyderabad, Telangana	AWS has more services, and more features within those services, than any other cloud provider, including compute, storage, databases, networking, data lakes and analytics, machine learning and artificial intelligence, IoT, security, and much more.	Participated
24.	Ms. T. Sravani	Department of CSE-IOT in association with NITTTR Chandigarh FDP organizes on “Cloud Computing: A Hands-on approach with AWS Cloud “ organized by Sreenidhi Institute of Science and Technology remote centre (An Autonomous Institution) (Approved by AICTE, Permanently Affiliated to JNTUH, UGC-Recognized Accredited by NAAC) Hyderabad, Telangana	AWS has more services, and more features within those services, than any other cloud provider, including compute, storage, databases, networking, data lakes and analytics, machine learning and artificial intelligence, IoT, security, and much more.	Participated

25.	Mrs.C.Swetha	Department of CSE-IOT in association with NITTTR Chandigarh FDP organizes on “Cloud Computing: A Hands-on approach with AWS Cloud “ organized by Sreenidhi Institute of Science and Technology remote centre (An Autonomous Institution)(Approved by AICTE,Permanently Affiliated to JNTUH,UGC-Recognized Accredited by NAAC)Hyderabad,Telangana	AWS has more services, and more features within those services, than any other cloud provider, including compute, storage, databases, networking, data lakes and analytics, machine learning and artificial intelligence, IoT, security, and much more.	Participated
