PLACE	Uppal Metro Station
ORGANIZED BY	NSS SNIST
NO OF VOLUNTEERS PARTICIPATED	11

NSS volunteers of Team 4 (2020-24) batch have donated food to homeless people and workers. Their reaction to the experience was as follows: "We have noticed that each person was so happy and emotional when we donated food for them. That's the true pleasure we got after seeing their happiness more than any other materialistic things in the world and tears welled up in our eyes. By seeing their happy faces after eating, we returned home with pure bliss."

NO OF VOLUNTEERS PARTICIPATED	8

NSS volunteers of Team 4 (2020-24) batch have visited a Disabled Orphanage on World Disability Day to spread awareness about disability rights and inclusion and donated few basic things that they need. The volunteers described their experience as "Visiting a disabled orphanage on World Disability Day was an incredibly moving experience. It was truly eye-opening to see how these people have overcome their disabilities and how they manage to thrive despite their circumstances. We have spread the awareness about the importance of equal rights and opportunities for everyone, regardless of ability and tried to give them a hope that they are not alone. But at the end of the day we were inspired from them that though they have the disabilities they are breaking all the barriers and achieving many things."

We, the volunteers of NSS Unit SNIST, organized an open session to give our juniors a glimpse of NSS activities and to help them understand the impact that this organization has on the lives of the underprivileged. Apart from working for the well-being of others, an NSS volunteer also develops his own personality through community service. After giving a glimpse about NSS, there were few dance and music performances to represent the cultural aspect of NSS. The volunteers have beautifully displayed flag formation as a tribute to our country.

18. FEED THE NEED

DATE	26/01/2023

On this Republic Day, We, The volunteers of NSS TEAM 1 and TEAM 2 spent our time in service of the people in need. As we walk through the streets, we see many people sleeping with empty stomachs. They have no blankets to keep them warm in this cold weather. This made us think that such people require a helping hand. So we decided to help such people in any way we could. We collected some blankets to provide warmth to the poor during this harsh winter. We distributed food packets and blankets to the poor people residing along the footpaths. Their reactions were priceless. The gratitude in their faces and the satisfaction in our hearts made us feel alive. The expression of satisfaction in the old people, happiness and joy in kid's faces made the event very special. We never imagined we'd be able to feed so many people. "A small effort from our side could bring great hope in someone's life."

We, the volunteers of NSS Team 3 & Team 10, visited SREE SAI SURAKSHA OLD AGE HOME, Peerzadhiguda near Medipally. The visit to an old age home was an interesting experience. It was a mixture of emotions and feelings. They were overwhelmed by our visit and we could see the happiness in their eyes. We could feel their pain of not being able to live with their dear ones. But still, it looked like a big joint family. We wanted to stay longer after spending some time with the people there. They were extremely happy. We donated a rice bag, biscuits and some groceries. The smile on their faces made our day.

This initiative was a reminder that even the simplest acts of kindness can have a far-reaching impact on the lives of those in need.
