d) Examination reforms and Automation

As stated, all the Examination activities are ICT enabled which enables the process quick for declaration of results. The Scrutiny of Internal Question papers was introduced from A.Y 2021-22. The Institute joined hands with the National Academic Depository (NAD), Digilocker facility which is a 24 x 7 online, permanent, and safe to store the Academic awards of the students. The efforts are on to introduce the ACADEMIC BANK OF CREDITS (ABC) which shall provide a variety of services like credit accumulation, credit redemption, credit verification, and credit exchange which paves the way for implementation of NEP2020 which allows for multiple entry and exit schemes.

Automation of the Examination and Evaluation Module has been initiated by DOCTUS. A study of system requirements has been completed. Design and implementation of a few tasks have taken place.

The Current status of Automation related to Examination activities for faculty and students are as follows.

Sl. No	Description of the Examination Activity	Status
1	Enrolment of student	Online
2	Course Registration	Online
3	Publishing the Examination Notifications and schedules	Online
4	Payment of Examination Fee Regular & Supplementary Examinations	Online
5	Uploading of Continuous Internal Assessment and Sessional Exam marks through faculty login	Online
6	Display of CIA and Sessional Exam marks in Student Login	Online
7	Generation of Hall tickets/Admin cards	Online
8	Declaration of Results	Online
9	Applying for Revaluation	Online
10	Issue of Academic Transcripts	Online/Offline
