# ABOUT WIE CONFERENCIA

The Institute of Electrical and Electronics Engineers (IEEE) is a global professional association dedicated to advancing technology for the benefit of humanity. Founded in 1884, IEEE has become one of the largest technical professional organizations in the world, with over 400,000 members in more than 160 countries. IEEE's mission is to foster technological innovation and excellence for the advancement of humanity. The organization achieves this through various activities, including conferences, publications, and educational programs.

IEEE places a strong emphasis on education and professional development. The organization offers a range of educational resources, including online courses, certifications, and continuing education programs. These initiatives help professionals stay up to date with the latest trends and advancements in their fields, fostering lifelong learning and career growth.

IEEE operates through a decentralized structure, with numerous local chapters and societies catering to specific technical areas of interest. These chapters and societies organize events, workshops, and other activities tailored to the needs and interests of their respective communities. By fostering collaboration, knowledge sharing and professional development, IEEE continues to be at the forefront of technological advancements, ensuring that technology serves the needs of humanity and contributes to a better future.

# ABOUT SNIST

Sreenidhi Institute of Science and Technology (SNIST) is a renowned educational institution located in Hyderabad, Telangana. Established in 1997, SNIST has emerged as a premier engineering college known for its academic excellence, state-of-the-art infrastructure, and holistic development of students.

SNIST offers undergraduate and postgraduate programs in various disciplines, including engineering, computer science, electronics and communication, electrical and electronics, mechanical, and information technology. The campus of SNIST is spread over a vast area, providing a conducive environment for learning and growth. The infrastructure comprises modern classrooms, well-equipped laboratories, a library with an extensive collection of books and journals, sports facilities, and hostel accommodation for students.

The college emphasizes holistic development and offers a range of extracurricular activities and student clubs. These include technical societies, cultural clubs, sports teams, and entrepreneurship cells, providing students with ample opportunities to showcase their talents and develop leadership skills. SNIST organizes annual fests and technical symposiums, attracting participants from across the country and promoting a culture of healthy competition and knowledge sharing.

# ABOUT IEEE SNIST

Renowned as the foremost institution affiliated with JNTUH, Sreenidhi Institute of Science and Technology (SNIST) has gained widespread acclaim for its exceptional educational practices. Augmenting its academic prowess are its outstanding infrastructure, modern library, and information centers. Serving as a veritable temple of learning, SNIST imparts value-based education, annually admitting over 1700 students.

Founded in 1997 by the esteemed Sree Education Society, SNIST emerged in response to the demand for engineering and technology education. Notably, it stands as the sole college in Telangana to have been recognized by the World Bank as the best-performing institute under the esteemed Technical Education Quality Improvement Program (TEQIP) Phase – 2, conducted in 2015.

## **STUDENT BOARD OF WIE CONFERENCIA 5.0**

## WIE CONFERENCIA

WIE CONFERENCIA is a three-day national conference, the first of its kind event in the IEEE circuit, being conducted from October 6th to October 8th, 2023 in association with IEEE affinity group Women in Engineering (WIE) organized by IEEE-SNIST. There are three unique and interesting committees being simulated this time.

First being the Global Women Council, followed by The Indian Parliament, and the last committee is the International Security Council. The Global Women Council and International Security Council are international committees where delegates will be representing different countries.

The Indian Parliament is a national committee where delegates will be representing the states of our nation.

This three-day event is beautifully laced with the inclusion of panel discussions with industry experts and renowned persons and a few special sessions besides networking activities and the committee proceedings leading to the final presentations of the solutions to the issues discussed by the delegates.

## VENUE PARTNER

### - THE PARK,SOMAJIGUDA

The venue partner was announced on 19th September which was The Park in Somajiguda, Hyderabad. Here the delegates who have applied were given accommodation for 3 days that is from 6th to 8th October. There students were provided with breakfast on 7th,8th and lunch on 6th,7th,8th with tea and snacks. Each room was allocated for 3 delegates along with organising committee and board members. There were 50 spacious rooms where all facilities were provided and each room was allocated for 3 delegates along with organising committee and board members.

## **WIE CONFERENCIA Objectives :**

- Gain a better understanding of contemporary global concerns and sharpen your critical thinking skills. Enhance critical thinking, teamwork, and leadership talents, as well as research, public speaking, debating, and writing skills.
- Distinguish between the parliament and the United Nations, as well as power struggles and diplomacy.

### **Executive Board for the Committee: Disarmament and International Security (DISEC)**

Siddharth Abhimanyu - Co-Chairperson

Koushik Sarma - Co-Chairperson

### **Global Women Council (GWC)**

Kamlesh Mohanty - Chairperson

Eswar Chava - Vice Chairperson

### **All India Political Party Meet (AIPPM)**

Rishab Asrani - Moderator

Sai Eshwar - Deputy Moderator Venkatesh - Scribe

### **INTERNATIONAL PRESS**

Anurag Dwibhashyam - Head Of IP

Preethi - Editor in Chief

Santosh - Director of Photography

## **DISEC:**

The Disarmament and International Security Committee (DISEC), a vital organ of the United Nations General Assembly, plays a pivotal role in addressing global challenges related to disarmament and international security. Among the plethora of issues it grapples with, the pressing issue of the illicit trafficking of small arms and weapons has been taken as the agenda for WIE Conferentia 5.0.

Delegates from all around the country gathered to simulate the real-world dynamics of international diplomacy, collaborating to devise strategies to curb the proliferation of these dangerous weapons from falling into the wrong hands of terrorists, criminal organizations, or non-actor actors.

Delegates expressed concerns about the impact of these weapons on international peace and security, emphasizing the need for collaborative solutions to address the root causes of this illicit trade.

Throughout the conference, delegates engaged in intense negotiations, mirroring the complexities of real-world diplomacy. The committee explored a range of measures, including strengthening national legislation, enhancing border controls, fostering international cooperation to combat the transnational networks facilitating the illicit arms trade, promoting responsible arms transfers, presence of proper regulatory frameworks etc.

In the final stages of the MUN conference, DISEC delegates worked tirelessly to draft a comprehensive resolution addressing the illicit trafficking of small arms and weapons. The resolution outlined a multifaceted approach, encompassing preventive measures, international collaboration, and disarmament education initiatives. Through cooperative efforts, strengthened regulations, and increased awareness, DISEC seeks to create a safer world by mitigating the impact of small arms proliferation on international peace security.

## GWC:

In WIE Conferentia 5.0 , the Global Women's Council convened to address the profound impact of violent extremism on women, with a special focus on the situations in Syria and Yemen. Delegates from diverse backgrounds and regions gathered to deliberate on strategies to empower women, protect their rights, and foster resilience in the face of the challenges posed by extremist ideologies.

The committee opened with a sobering acknowledgment of the unique vulnerabilities women face in regions plagued by violent extremism. Delegates emphasized the urgent need to recognize the intersectionality of women's experiences, considering factors such as socio-economic status, ethnicity, and age in crafting effective and inclusive solutions. Delegates from various nations presented comprehensive overviews of the situations in Syria and Yemen, highlighting the multifaceted impact of violent extremism on women in these regions. The discussions delved into issues such as limited access to education, healthcare, and economic opportunities, as well as the heightened risks of gender-based violence and forced displacement.

The Global Women's Council explored strategies to address the root causes of violent extremism and its disproportionate impact on women.

In line with the committee's emphasis on Syria and Yemen, delegates collaborated on region-specific measures. The discussions included tailored approaches to address the unique challenges faced by women in each context, recognizing the importance of cultural sensitivity and community engagement.

As the MUN conference progressed, the Global Women's Council worked diligently to draft a resolution that encapsulated the collective efforts and recommendations of the participating nations. The resolution focused on empowering women as agents of change, promoting their inclusion in peacebuilding processes, and advocating for targeted humanitarian interventions in Syria and Yemen.

# AIPPM

In WIE Conferentia 5.0, representatives from diverse political parties across India came together to discuss and deliberate on the issue of gender-neutral laws with a special emphasis on granting legal recognition to same-sex marriages. The committee, reflecting the All India Political Parties Meet, provided a platform for delegates to explore ways to foster inclusivity and address the legal challenges faced by the LGBTQ+ community in the country.

The committee opened with a recognition of the importance of ensuring equal rights and legal protections for all individuals, regardless of their sexual orientation or gender identity. Delegates engaged in candid discussions on the current legal landscape in India and the need for progressive reforms to promote inclusivity and eliminate discrimination. Delegates presented comprehensive overviews of the existing legal frameworks and their impact on the LGBTQ+ community, highlighting the challenges faced by individuals in accessing rights such as marriage, inheritance, and healthcare. The discussions also delved into the broader societal implications of legal recognition, emphasizing the role of legislation in fostering acceptance and challenging discriminatory attitudes.

The heart of the committee's discussions lay in the exploration of measures to introduce gender-neutral laws and grant legal recognition to same-sex marriages in India. Delegates exchanged views on the potential amendments to existing laws and the introduction of new legislation to ensure equal rights for all citizens, regardless of their sexual orientation. The committee's special emphasis on same-sex marriages included discussions on the societal benefits of legal recognition, such as improved mental health outcomes, greater social acceptance, and the strengthening of the institution of marriage itself. Delegates also addressed concerns related to religious and cultural sensitivities, aiming to find a balance that respects diverse perspectives while upholding the principles of equality and human rights.

Throughout the MUN conference, the All India Political Parties Meet demonstrated the power of collaborative decision-making. Delegates engaged in negotiations, exchanged ideas, and worked towards consensus on a resolution that encapsulated the collective aspirations for gender-neutral laws and the legal recognition of same-sex marriages in India.

## **DAY 1 OF WIE CONFERENCIA 5.0**

On the inaugural day of WIE Conferencia, the event commenced with a significant moment – the ceremonial lighting of the lamp during the Opening Ceremony. This ritual held on October 6th, 2023, symbolized the pursuit of knowledge and enlightenment, setting the tone for the conference. The presence of the Chief Guest and notable figures, including C.V. Tomy, the Director of Sreenidhi Institute of Science and Technology, added prestige to the occasion.

Throughout the day, participants immersed themselves in the thought-provoking sessions, exploring diverse topics and sharing knowledge. The vibrant exchange of ideas during the discussions reflected the conference's commitment to fostering intellectual growth and collaboration.

The High Tea break not only offered a moment for socializing but also facilitated informal networking among attendees. This break allowed participants to forge connections, exchange business cards, and delve into impromptu conversations that often lead to valuable insights. The Second Session continued the momentum, maintaining the intellectual vigor of the event. The diverse array of speakers and topics showcased the conference's dedication to providing a well-rounded and enriching experience for all attendees.

As the day reached its conclusion, the seamless allocation of delegates to their respective rooms demonstrated the meticulous planning and execution by the organizers. This attention to detail contributed to the overall positive atmosphere of the conference, leaving participants eagerly anticipating the upcoming days of WIE

## **DAY 2 OF WIE CONFERENCIA 5.0**

The second day of the Women in Engineering (WIE) Conferencia 5.0, which featured the Model United Nations (MUN), was characterized by a dynamic blend of intellectual engagement and cultural richness. The dress code for the day, set as traditional attire, added a vibrant touch to the overall atmosphere, emphasizing the diversity of the participating delegates.

Three committees convened for the Model United Nations, each addressing crucial global issues. In the All India Political Parties Meet (AIPPM), delegates engaged in robust discussions on political challenges within the Indian context, covering topics such as electoral reforms, economic policies, and national security. The Global Women Council (GWC) saw passionate debates on global gender equality and women's empowerment, addressing issues ranging from women's participation in leadership to combating gender-based violence. The Disarmament and International Security Committee (DISC) discussions revolved around disarmament, arms control, and strategies for maintaining international security, with delegates navigating complex geopolitical scenarios.

Delegate participation across all committees was marked by a deep understanding of the respective issues at hand. AIPPM participants showcased their knowledge of Indian political dynamics, engaging in rigorous debates and skillfully negotiating alliances that reflected the diversity of political ideologies. GWC delegates passionately advocated for women's rights, fostering a collaborative spirit that emphasized cross-cultural cooperation to address global gender disparities. In the DISC committee, delegates demonstrated a nuanced understanding of disarmament issues, engaging in intense negotiations and working towards consensus on measures to promote global disarmament.

Beyond the intellectual engagements, culinary experiences added a delightful touch to the day. Lunch, served by the hotel at 12:00 PM, featured a sumptuous array of cuisines catering to the diverse preferences of the participants. This midday break provided an informal setting for networking and casual discussions, enhancing the overall conference experience. The day concluded with a high tea break at 4:30 PM, offering participants an opportunity to rejuvenate and socialize over a selection of tea, snacks, and desserts. This culinary indulgence complemented the intellectual discourse, creating a relaxed environment for fruitful conversations.

In conclusion, the second day of the WIE Conferencia 5.0 MUN was not only intellectually stimulating but also culturally enriching. The combination of traditional attire, delightful culinary offerings made for a well-rounded and engaging day, fostering a sense of collaboration and camaraderie among the conference participants.

## DAY 3 OF WIE CONFERENCIA 5.0

On day 3 that is on 8th of October the breakfast is provided from 8:00am to 9:30am and the committee session-6 started from 9:30am and happened till 12:30pm.

In the midst of committee session-6 the Elan media from Hyderabad took the interviews of the Secretariat Board members and Organising Committee members where the members shared their experiences and what their role meant to them with the camera.

Each of the member was asked different questions related to their position and what this journey of WIE 5.0 had been for them in their own words and memories they will take with them.

From 12:30pm to 1:30pm lunch was provided and the committee session-7 was from 1:15pm to 4:00pm where in the last session the delegates gave their final statements to the executive board. Followed by high tea from 4:00pm to 4:15pm.

The closing ceremony started from 4:30pm till 6:00pm where the chief guest was Dr.K.Sumanth who was branch councillor in SNIST. Here the delegates who were interested spoke about their experience related to WIE 5.0 in their own words along with some OC members who participated in it. Here the delegates were awarded with the titles like high commendation , best delegate, best delegation from their respective committees and the cash prizes were given to them worth of 1 Lakh rupees.

Then in the final seconds the gavel the beaten to announce that WIE 5.0 is closed.

# **BEST DELEGATES**

## **GWC: Global Women Council**

<b>S.no</b>	<b>Name</b>	<b>Portfolio</b>	<b>Award</b>
1	Siva Narayan	France	Best Delegate
2	Faraaz Uddin	China	High Commendation
3	G Akshit Varma	UK	High Commendation
5	Aanya Jain	Iran	Special Mention
6	Akshitha	Belgium	Special Mention

## **DISEC: Disarmament & International Security Committee**

<b>S.no</b>	<b>Name</b>	<b>Portfolio</b>	<b>Award</b>
1	Nalluri Minnila	DPRK	Best delegate
2	Iban	Finland	High Commendation
3	Rishab	Germany	Special mention

## **AIPPM: All India Political Parties Meet**

<b>S.no</b>	<b>Name</b>	<b>Portfolio</b>	<b>Award</b>
1	Ravivatsan	Sumalatha Ambareesh	Best delegate
2	Ishaan Poddar	Narendra Modi	Special mention
3	Hariharasudhan	Kamal hassan	Special mention

## **IP: International Press**

<b>S.no</b>	<b>Name</b>	<b>Award</b>
1	Shivanand kumar	Best reporter
2	Jyothsna Sriya	High Commendation
3	Sharat	Best Photojournalist

## CONCLUSION:

The culmination of WIE Conferencia 5.0 on October 8th, 2023, marked the successful convergence of intellect, culture, and camaraderie. Across the three days, the ceremonial lighting of the lamp on Day 1 symbolized the pursuit of knowledge, setting the tone for insightful discussions and vibrant idea exchange. The notable presence of Chief Guest C.V. Tomy and esteemed figures added prestige, while meticulous planning ensured a seamless flow of events.

Day 2's Model United Nations brought a dynamic blend of intellectual engagement and cultural diversity. The traditional attire, diverse discussions, and delightful culinary experiences underscored the conference's commitment to a holistic experience. As the event unfolded, the meticulous allocation of delegates to rooms, engaging sessions, and networking opportunities during breaks exemplified the organizers' dedication. WIE Conferencia 5.0, held from October 6th to 8th, 2023, not only met but exceeded expectations, delivering a memorable and impactful event that celebrated knowledge, diversity, and the spirit of women in engineering.

In conclusion, WIE Conferencia 5.0 transcended expectations, delivering a multifaceted experience that celebrated not only the pursuit of knowledge but also cultural diversity and community building. The meticulous planning, distinguished guest presence, intellectual vigor, and inclusive cultural elements coalesced to create a truly memorable and impactful event, leaving participants eagerly anticipating the next chapter of WIE Conferencia.
